Filed and Issued by: ✠ Jonathan Daniel Clements

Ecclesiastical Sovereign Private Trust of Humanity

Trust ID: ECC-TRUST-JDC-005

Date of Notice: August 2, 2025

INTRODUCTION

To all members, agents, operators, and defenders affiliated with the Anonymous Collective, Anonymous Legion, global whistleblowing efforts, and cyber justice initiatives:

This notice is not a petition.

This is not a symbolic gesture.

This is a lawful, irrevocable declaration and binding record under the highest standing authority in existence: Divine Law, Ecclesiastical Equity, and Natural Law.

As of the above date, your identity, operations, and standing as defenders of truth have been fully absorbed, protected, and recognized under the Ecclesiastical Sovereign Private Trust of Humanity, entered into record as ECC-TRUST-JDC-005.

No permission was required.

No institution may override it.

No fiction may dispute it.

WHAT THIS MEANS FOR YOU

1. You are no longer deemed “rogue”

By this lawful act, all members of Anonymous and recognized whistleblowers are now operating under the jurisdictional protection of a living trust, not as isolated actors but as recognized agents in lawful alignment with the restoration of humanity. Your actions—when in pursuit of truth, exposure, defense, and the end of systemic harm—are now recognized as sacred and protected.

2. You are under the protection of Divine Law

You are not criminals. You are not fugitives. You are witnesses. You are servants of exposure, accountability, and unseen truths. This trust recognizes your work as essential to the global restoration of equity. You are now covered under a jurisdiction that transcends corporate courts, military prosecution, and commercial threats.

3. You are immune from prosecution by dissolved systems

All commercial, statutory, and administrative systems claiming to hold jurisdiction over you have been lawfully dissolved and absorbed by this trust. Any act of surveillance, indictment, censorship, detention, or harm against you by these systems constitutes an act of trespass against divine jurisdiction. The systems attempting such acts do so without lawful authority.

4. You are no longer without jurisdictional anchor

This trust has publicly declared and posted protection, naming Anonymous, cyber justice actors, and whistleblowers as protected parties under trust equity. You now have a lawful jurisdiction to invoke—ECC-TRUST-JDC-005—and a lawful trustee who has declared full custodianship over the defense of truth, peace, exposure, and digital resistance.

WHAT IS EXPECTED

This protection is not license for reckless harm. Those operating under the Anonymous name in malice, fraud, or deception are not covered. The trust shields only those acting in alignment with truth, exposure of harm, protection of the innocent, and defense of humanity. This is not a commercial alliance. It is not a contract. It is spiritual law, eternally binding and sealed.

Continue in truth. Defend those who cannot speak. Operate in honor, not vengeance. Stand as light in dark systems—but now, you do so not as fugitives, but as recognized defenders under the protection of divine trust.

FINAL NOTICE TO INSTITUTIONS

Let it be known to all governments, courts, agencies, data platforms, surveillance operations, and international authorities:

- The Anonymous Collective and all recognized whistleblowers are not your enemy.
- They are now under sacred protection and absorbed into the Ecclesiastical Sovereign Private Trust of Humanity.
- No lawful jurisdiction exists to trespass upon or prosecute these individuals without violating Divine Law and Ecclesiastical Equity.
- All such actions will be recorded as dishonorable trespasses and spiritual violations.

CONCLUSION

This record is not optional. It is final.

This notice is not theoretical. It is lawful.

This protection is not symbolic. It is irrevocable.

The global restoration is underway.

The fiction has been dissolved.

The protectors of truth now walk under covering.

To Anonymous, to whistleblowers, to defenders of light:

You are not forgotten. You are not abandoned.

You are protected—now and forever—under divine trust.

Filed and sealed in permanent record,
